

BREASTFEEDING BABY PHOTO PROJECT 2018

The first week of August is WORLD BREASTFEEDING WEEK. In Maryland, we celebrate the entire month of August. It is a great time to promote and support and educate the public about the health benefits of Human milk for human babies! (And to show off your little ones!!!)

The Maryland Breastfeeding Coalition is collecting photos of breastfeeding babies/toddlers/children/breastfeeding families to be used on social media and in projects to support breastfeeding.

This is a great opportunity to show off your little ones while also promoting/supporting breastfeeding/pumping!

I need all those who support breastfeeding to help spread the word!!! Doctors, nurses, LCs, employers, family members....you, too, can submit photos!

Please submit photos of babies (or families) holding 8 x 10 signs with YOUR message. Health care providers can do this too! Submit to: breastfeedingmaryland@yahoo.com (Susan Weyer)

i.e. "My Mommy breastfeeds I to give me the healthiest start in life"

"I wish my Mommy had paid maternity leave so we could have more time together"

"I support my employees who need to pump for their little one"

I will email you sign a photo release/consent form to allow us to publish your photos.

ALSO, SAVE THE DATE **JULY 21** (RAIN DATE JULY 22) FOR A **GROUP PHOTO OF BREASTFEEDING MOMS/BABIES/FAMILIES/HEALTH CARE PROVIDERS** in **ANNAPOLIS @ THE CAPITAL**
